DETAILED ACTION

Allowable Subject Matter

Claims 1-20 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claim Rejections - 35 USC § 112

Claims 1-20 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

There is no proper antecedent basis for 'said first zone' and said second zone' in claim 1 because there could be a plurality of first and second zones claimed. Claims containing a 'particular' clause are indefinite because it is not clear what is being positively claimed.
